NSWAA PRESIDENT'S REPORT

The last six months of the New South Wales woodchopping season have been marked by remarkable achievements, spirited competition, and the unwavering dedication of our athletes and organisers.

As president, I am thrilled to share an overview of the season, highlighting its successes, challenges, and plans for the future. The NSW woodchopping season, spanning from January to June, showcased the best of skill and athleticism. Across various towns and events, over 53 competitions and many demonstrations. All associations conducted fantastic shows with minimal incidents and great reports from Show Societies and the general public.

Our representative men's side maintains its winning form with straight wins at Nowra against New Zealand South Island. Our Under 21s side continues to progress their skills with age, and whilst not successful at Sydney, they show signs of improvement under the watchful eye of Blake and Ashleigh Marsh. Thank you to everyone who helped organise our representative teams.

Thank you

I would like to thank Michelle Bullock for her duties as Secretary / Treasurer for the last four years. While Michelle is passionate about woodchopping and always will be, she will be focusing on her other passion, netball. I wish her all the best and hope to see her at one of our woodchop events in the future

2025 Sydney Royal Easter Show

This year's Sydney Royal Easter Show had a good contingent of NSW woodchoppers in

attendance. We achieved some great results with three members receiving special RAS Annual Awards. Congratulations:

- **Tom Gill:** Annual Encouragement Trophy, awarded to the Junior Competitor demonstrating special skill, talent and potential
- **Scout Symons:** Annual Achievement Prize, awarded to the Female Competitor demonstrating skill, talent and potential
- **Cameron Marsh:** Most Successful Competitor in Tree Felling Events

Ten members contested World Title finals:

- **Standing Block:** David Reumer
- **Single Sawing:** David Reumer, Leon Critchfield and Brent Smith
- **Tree Felling:** Mitch Scrivener
- **Ladies Underhand:** Ashleigh Marsh, Lucy Waters and Maddison Reumer
- **Ladies Single Sawing:** Ashleigh Marsh, Madeleine Kirwan-Edwards, Madison Bennett and Jinaya Niass.

Our NSW Champion of Champions were announced, congratulations to David Reumer and Jinaya Niass.

Special acknowledgment goes to those who represented our State in the Under 21s team, and the many other axemen and women who did very well, including – Frank McGrath and Lachlan Rice to name a few.

At the Sydney Royal Easter Show, I had the opportunity to discuss potential collaboration between the NSWAA and the RAS. The RAS is our state show, and it's essential that we actively

engage in how it operates. I learned that, many years ago, NSW woodchoppers would kick off the show in the first few days, and I would love to see that tradition return.

Australian Selection

Congratulations also to Tarlo Odium, who performed exceptionally well in Sydney and earned a spot in the Australian U21s team.

Handicapping, Entries and Wood

The NSWAA is focused on improving the woodchopping experience through ongoing discussions about a statewide handicapping system and enhanced record-keeping. You will also notice streamlined entry processes for some of our associations as we embrace new technology. Our biggest challenge is wood supply; this remains my number one priority.

Sponsorship

Securing sufficient funding remained a persistent challenge. While sponsorship support was strong, increasing costs associated with hosting events highlighted the need for additional resources to sustain and grow the sport. Please contact me directly if you have

potential sponsors that would be interested in having a partnership with the NSWAA.

Upcoming Events

From July to December, NSW will host over 30 woodchopping events and demonstrations. In July, the NSW U21s team will compete at Gatton, facing off against teams from Queensland and Victoria over two days.

Growing our Sport

Lastly, I encourage all associations to organise more 'Come and Try' days and regular training sessions – we need to attract more young people to the sport. While wood supply is an issue, having fewer participants means that our voice is not heard.

Thank you to all athletes, organisers, sponsors, and spectators who made the first half of the 2025 season a success. Your commitment and passion for woodchopping remain the backbone of our journey.

All the best, keep chopping,

Shaun O'Connor

The brand of a flaming good axe

Osborne Axes, quality,
