NEW ZEALAND SOUTH ISLAND TOUR 2019

On Tuesday 12 November, the NSW woodchopping team flew to Christchurch to compete at a series of New Zealand Shows. The team consisted of Dan Clissold, Leon Critchfield, Mitch Kirk, Blake Marsh, Noel Marsh, Chris Owen, David Reumer and Phillip Waters.

The first race was contested at the AMP Canterbury Show in Christchurch on Wednesday 13 November. NSW took the win when the New Zealand South Island team was unfortunately disqualified. On day two, the tables were turned, with NSW disqualified for an uncut sawing wheel. Tied at a race a piece, it was down to the wire on day three, with either team in a position to take out the Christchurch series. In what can only be described as a very exciting race, it came down to the video judge to determine the winner, and it was NSW by a whisker. As always the hospitality of the New Zealand axemen was great.

After the Canterbury Show finished, the team travelled by mini-bus two hours south-west to Geraldine. This picturesque town, set in the foothills of New Zealand's Southern Alps, was the venue for the first race of the Nelson series, and once again NSW were victorious. Thanks must go to the Cox family for organising beautiful log cabin accommodation at no cost to NSW Axemen's Association or the axemen whilst they were in Geraldine.

On day five, due to work commitments, half of the team travelled back to Australia, with tickets booked to return in five days time for the two final races in the Nelson series. Meanwhile the remaining team members headed to Ahaura to compete at another event. It was a great day chopping with our Kiwi friends, and once again we must thank another family – the Hodgetts – for accommodating the axemen for two days.

With some time to spare before the whole team was to meet back up in Nelson, the axemen went to 'The Last Resort', Ed and Tania Tinomana's, and they were served up the best white bait patties in New Zealand and a great feed of deer. Thanks Ed and Tania.

From here they travelled to Robbie Brownley's at Havelock where they stayed for three nights. The stay included a 'night time' boat ride (yes, one of the team members was late), and some fishing. Plenty of fish and crayfish were caught, with Leon diving and catching a couple of 'baby' crayfish! On their last

night Robbie cooked up his famous fish and chips, followed by delicious crayfish sandwiches.

On Day 10, the entire team was reunited at Nelson to compete in the final two races at the Nelson AMP Show. Once again the NSW team performed well and took out the second race of the series – making it an overall win. On day two of the show NSW continued their winning form making it a clean sweep and taking out the third and final race.

Thank you to New Zealand South Island for inviting the NSW team, and thank you also to all of the axemen and their families who showed the NSW team wonderful New Zealand hospitality. It is a great place to compete, with many lifelong friendships made along the way.

The brand of a flaming good axe

Osborne Axes, quality,
custom-made racing axes,
proven in a variety of timbers.

Range includes:

The Bluey

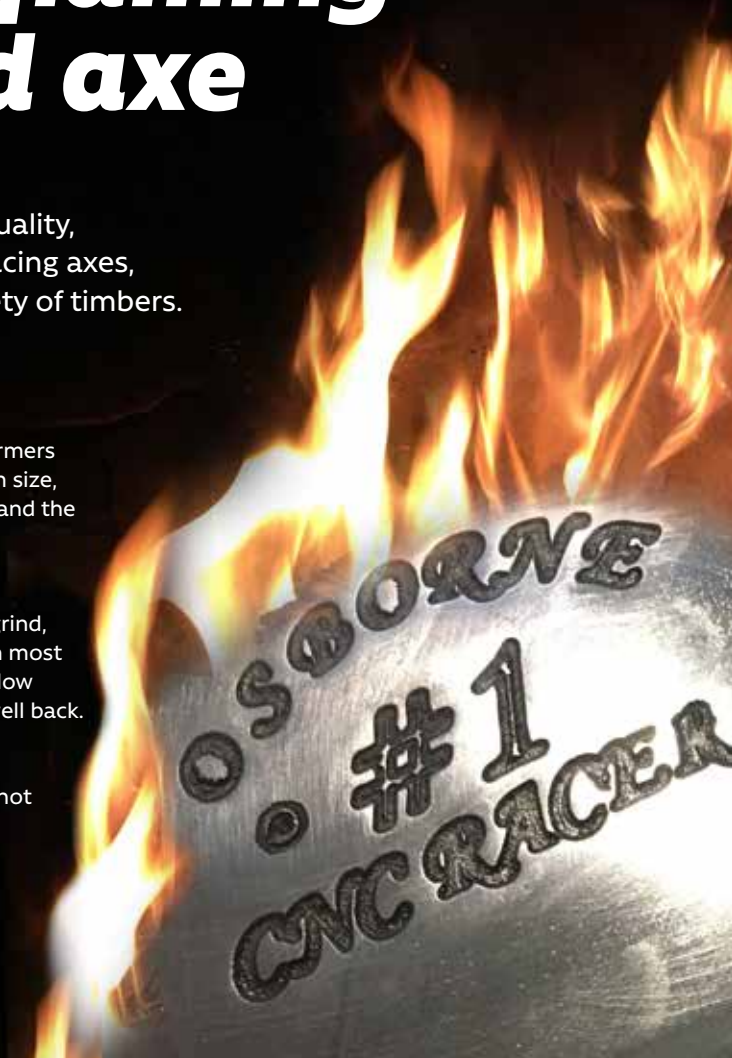

One of the best performers
in firm timber. Medium size,
with a long flat chisel and the
barest hollow grind.

The Queenslander

A traditional banana grind,
with a larger face than most
axes, exaggerated hollow
grind and a bust set well back.

The Ossie

A conventional grind, not
for the faint hearted.
Specifically designed
for softwoods.
